

KSU Program Review Calendar**

| | |
|-------------------------|--|
| August 15- December 15 | Unit Self-Studies are conducted jointly by faculty members and their unit administrators/chairperson and forwarded to the program review panel. |
| December 15- January 16 | The review panel examines each self-study and submits its recommendation to the Dean. |
| January 16- February 15 | Dean examines the report, makes comments as appropriate and transmits report to Provost. |
| February 16- March 15 | Provost examines the report, makes comments as appropriate and transmits report to units. |
| March 16- April 15 | Units review recommendations, correct any factual errors, and develop plans of action to implement recommendations and forward same to Dean. The action plan may include plan for faculty development, student recruitment and /or curricular realignment. |
| April 16- April 30 | Plans of action will be evaluated by the Dean as to their overall impact on academic progress and transmitted to the respective unit and the president. |
| May 1 - May 22 | Plans of action will be evaluated by the Provost as to their overall impact on academic progress and transmitted to the unit and the President. |
| May 23- July 31 | President will review each report and provide feedback to the Provost and Dean regarding the plan of action. |
